Elegant 4-Bedroom Period Family Home

This beautifully maintained period property combines timeless character with modern convenience, offering generous living spaces and a versatile layout perfect for family life.

Boasting high ceilings, large windows and impressively proportioned rooms throughout, the home is filled with natural light and a wonderful sense of space. The ground floor features a welcoming entrance hallway, large family living room and eat-in kitchen, complemented by a practical utility room. From here, doors open onto a substantial rear patio garden. Ideal for outdoor dining, entertaining, or simply relaxing in the sunshine.

Upstairs, four spacious bedrooms provide excellent accommodation, all presented in walk-in condition. The top floor includes a dedicated dressing room, offering flexibility as a home office or the option to convert into an ensuite bathroom.

This property also benefits from a separate enclosed side ally-way, which works well for storage or bringing items through to the garden without coming directly through the front door.

With its period charm, large rooms, and beautifully maintained interiors, this property is ready to move straight into and makes an exceptional family home.

While there is no parking with the property, there is the option to apply for parish residence parking.
