Property details

Three bedroom home with good sized garden and parking requiring full modernization

Located on the outskirts of town, this generously sized detached house presents a fantastic opportunity to create a home full of character and charm. While it does require full modernization, it offers excellent living space. The ground floor features a small separate kitchen, dining room, and lounge, with stairs leading to the first floor, where you'll find two double bedrooms, a single bedroom, and a family bathroom.

One of the standout features of this property is the enclosed west-facing garden, complete with outbuildings that provide plenty of possibilities. Additionally, the double garage offers parking for two cars.

With great potential, this home is definitely worth viewing!
