Property details

Detached house on substantial plot

Nestled in the tranquil countryside of St. Lawrence, this charming 4-bedroom detached house sits on a substantial plot, brimming with potential for transformation. In need of complete renovation, the property offers a rare opportunity to craft your ideal home in an idyllic rural setting.

In addition to the main residence, several outbuildings run alongside the property, providing versatile spaces that can be reimaged to meet a variety of needs, subject to the necessary planning permissions. As a Grade 4 listed property, this home retains its historical character and charm, preserving a sense of heritage while offering the chance to shape its future.

A new roof was added about 20 years ago and during that time no asbestos was found.
