First Time Buyers - Beautifully Presented One Bedroom Apartment At College Gardens

Built in 2019, this lovely second-floor apartment is situated in the popular College Gardens development on the outskirts of town. The open-plan kitchen and living area create a seamless flow, ideal for modern living. Step out onto the covered balcony to enjoy a peaceful, green view whatever the weather - perfect for unwinding after a long day! The spacious double bedroom features a fitted wardrobe, providing ample storage, and is conveniently served by the house bathroom. Throughout the apartment, electric panel heaters ensure a cosy atmosphere. Additionally, a utility cupboard houses the water cylinder and washing machine, enhancing the practicality of the space. Overall, this charming apartment combines comfort and functionality, making it a wonderful place to call home!

In addition the complex offers plenty of visitor parking along with chargers for electric cars and spaces for bikes.

This is an ideal opportunity for first-time buyers looking to enter the property market, as the apartment is available with a 10% discount. While the market value is higher, it will be offered at a competitive purchase price of £279,000. An equity share of 10% will be held by the Government of Jersey, making this a unique chance to own a home at a more accessible price point. Don't miss out on this fantastic opportunity to secure your first home in a desirable location!

Although the development does not include on-site parking, a transferable rented space is available for £125 per month plus the complex provides ample visitor parking.

Service charge is £123 per month to include water, building insurance, managing agent, cleaning and maintenance of communal areas. Pets accepted.
