Exceptional Renovation with Stunning Sea Views over St Aubin's Bay

If you are searching for a turnkey property then look no further. This attractive, detached family home has recently been the subject of major development with no expense spared using high quality fixtures and fittings throughout.

Situated in an elevated position on the ever popular La Rue de la Blanche Pierre, the property boasts stunning panoramic sea views over the whole of St Aubin's Bay from all principal rooms.

The ground floor provides exceptional open plan living with plenty of space for dining and entertaining guests and two sets of bi fold doors that lead out to the spacious south facing balcony. The contemporary kitchen features integrated Neff appliances, an all important wine fridge and a large central island. A useful utility room and guest W.C also occupy the ground floor.

Upstairs is the master bedroom with a Juliet balcony and modern en-suite shower room. There are two further double bedrooms and house bathroom and the fourth bedroom and shower room occupies the top floor.

Accessed separately, a studio room with kitchenette, shower and bi-fold doors sits on the lower ground floor and makes an ideal unit for a youngster to get a taste of independent living, home gym, entertainment room or home office.

Parking for 2 smaller cars is situated next to the main entrance behind an electric garage door and the low maintenance, south facing gardens lead down to additional parking and a large garage at the lower level. A spacious store housing the boiler and cylinder provides additional storage for bicycles etc.

A fabulous home in a sought after location with a stunning aspect. Viewings come highly recommended by the sellers sole agents.
