Property details

Conveniently situated within walking distance of the local supermarkets, tennis courts, golf course, beach and a short stroll to town, this detached family home is in an ideal location to suit all the family.

This detached property features two large reception rooms, one of which was previously a grocers shop which was converted to habitable accommodation with a storeroom running alongside. The kitchen breakfast room provides space for casual dining and once up a time, was open to the living room and could revert back.

There is a useful utility area and guest W.C and integral access to the large single garage. There are 3 bedrooms and the house bathroom with shower on the first floor. Cosmetic modernisation is considered desirable in order to bring it to modern day standards.

Garden areas sit to the side and rear of the property with potential to create a nice space to sit out and enjoy the sunshine.
