Development Opportunity – Two 3-Bedroom Neighbouring Bungalows in St Clement

A rare opportunity to acquire two detached three-bedroom bungalows set within generous plots in the highly sought-after area of St Clement's. Both properties require modernisation, presenting an excellent chance for buyers to add value, investors to take advantage of strong demand, or developers to explore the potential for redevelopment, subject to planning permission. Each bungalow offers well-proportioned accommodation, private gardens, driveway parking and a single garage. The generous plot sizes provide plenty of scope for enhancement, while the desirable location ensures long-term appeal. St Clement's is well regarded for its excellent access to local amenities, schools and transport links, yet retains a peaceful residential feel. This is a fantastic opportunity to transform two properties into contemporary family homes or unlock their full development potential. Viewing is highly recommended to appreciate the possibilities on offer.
