Granite Barn Conversion in Exceptionally Peaceful Location

Forming part of an attractive granite farm complex in the most tranquil rural location yet only moments away from the local amenities at Sion and a short drive to town.

Believed to date back to the late 1800's, the property oozes charm and character and a more modern extension has been sympathetically added to create the kitchen-breakfast room with an external utility room/store and access to the large attic space for storage. Scope exists to extend the kitchen by adding a conservatory/sun room off the kitchen to provide an additional dining area/family room overlooking the garden. The living room features a functional stove and double doors lead out to the beautiful and spacious garden with an oasis of mature trees and shrubs and nothing but the sound of bird song !

The bedrooms and house bathroom are found on the upper levels with plenty of built in wardrobes and access to the eaves and roof space and the main bedroom benefits from a useful en-suite shower room.

Parking is provided for 3-4 cars which could be extended if required.

If you are looking for peace and tranquillity then look no further and book your viewing today.

Mains drains and water. Oil fired central heating. Service charge £80 per year to cover private road maintenance. Freehold.
