Property details

Elegantly refurbished to an exceptional standard, this sophisticated ground-floor one-bedroom apartment offers a seamless blend of contemporary luxury and refined comfort.

With its own private entrance, beautifully landscaped garden, and exclusive parking for one vehicle, this residence promises privacy, style, and effortless living.

The generously proportioned living area is bathed in natural light, with striking full-height doors that open directly onto an enclosed patio which is complete with a bespoke outdoor shed, perfect for alfresco dining or serene relaxation. The shed has power so this could double up as a work from home office.

The sleek, fully fitted kitchen is both stylish and functional, ideal for those who appreciate high-quality design and practicality.

The serene bedroom features custom-fitted wardrobes and a versatile adjoining space, ideal as a dressing room or elegant study, adding to the apartment's sense of understated luxury and thoughtful design.

With regret, no dogs allowed but cats are permitted.
