Exceptional Development Opportunity – Plans Approved for Two Luxury 4-Bedroom Granite Cottages

An exciting opportunity awaits to bring to life two beautifully designed 4-bedroom granite cottages in a sought-after location.

Currently, two 3 bedroom cottages with full planning permission has been granted to redevelop the site into two exceptional 4-bedroom granite cottages, combining traditional charm with modern design and premium living standards. Whether you choose to renovate the existing cottages or proceed with the approved redevelopment plans, this is a versatile and valuable proposition with significant potential.

A unique and highly desirable opportunity to acquire a site currently comprising two existing cottages, both let and generating income, yet in need of renovation.

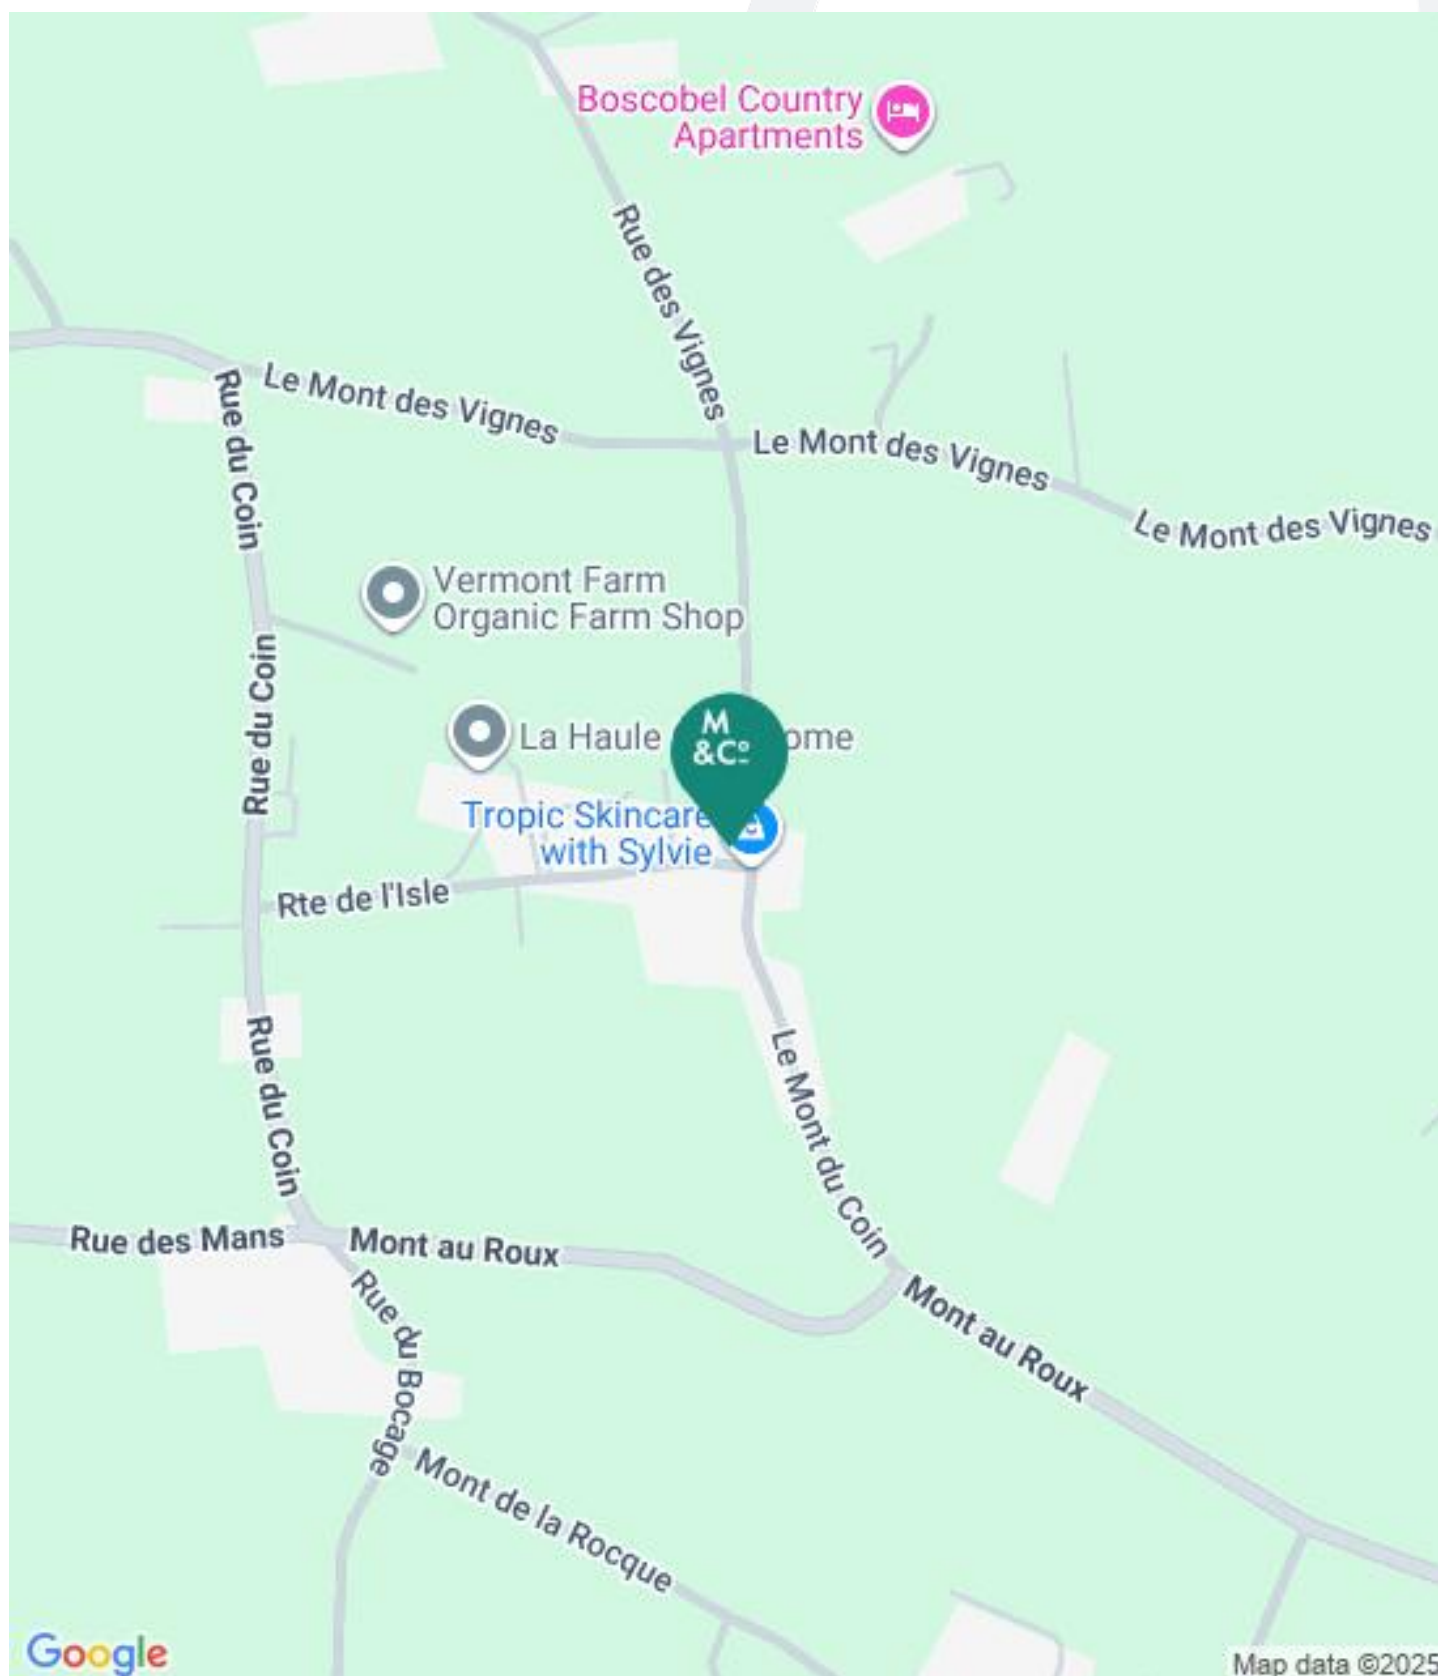

Whether you're looking to develop or create your dream homes in a picturesque setting, this is a rare and ready-to-go opportunity.
