Property details

Purpose built apartment with secure undercover parking and a patio garden located on St Helier outskirts

Situated at the top of a private development away from passing traffic and within walking distance to the local supermarket, bus stop and short walk to town, this purpose built block has been well maintained and is an excellent first step on the property ladder.

Located on the first floor and offering two double bedrooms, the apartment benefits from a separate kitchen and spacious living room with access to a large private patio garden offering plenty of space for al-fresco dining or for a pet to enjoy some outside space. Internal decoration is now considered desirable however the shower room has been updated more recently and provides an additional utility cupboard housing the washing machine and hot water cylinder.

There is parking for 2 cars, side by side, in the secure undercover parking area and visitor parking is available within the development.

Service charge £195 per month to include company management, contribution to the healthy sinking fund and communal maintenance. Electric heating and uPVC double glazing. Mains water and drains. Pets permitted. Flying Freehold.
