Impressive detached residence in Alderney overlooking the English Channel and requiring no housing qualifications

A unique opportunity to acquire a detached 4,000 sq ft residence situated in a prime location in the stunning island of Alderney, set in 1.45 acres with panoramic views of the coastline featuring Burhou Island, Fort Tourgis and the harbour within a backdrop of the English Channel.

Accessed via a private driveway, Maison De La Paix has been built to a high specification which includes bespoke American white oak doors, skirtings, architraves and wall panelling with English oak to selected floor areas.

The property comprises a large living room with dining area, a separate formal dining room, kitchen and breakfast room, utility room, master suite, three further bedrooms, with two en-suite bathrooms and a shower room. The property benefits from a large loft space, additional storage areas below ground floor level along with a separate garage/workshop.

The site is situated in Housing Character Area 5 (HCA5) therefore providing a rare opportunity for further prime development and potential to build a further two properties.

Mains water, gas and electricity are believed to be connected to the property. Drainage is via a septic tank.

Maillards are proud to be appointed as joint sole agents with Hawksford Estate Agents in Alderney.
