Property details

Detached family home with wrap around garden.

Quietly situated towards the end of a small cul-de-sac, this detached family home has been well maintained and presents itself in good condition throughout. B-Longa-Me was built in 1963 by the current owners and modified throughout the years to accommodate their living requirements. The entrance boasts a bright hall with under-stairs storage, shower room, living room with open fireplace, stepping up to the dining area, spacious modern kitchen with direct access to the wrap around garden and a separate study/bedroom. The first floor provides a spacious hall offering ample space for an office area and flooded with natural light, leading onto the south facing balcony. There are two impressively sized double bedrooms, one offering a separate dressing area, house bathroom and the third bedroom currently utilised as a utility room.

Externally the property offers a south facing, secure front garden that wraps around the entire house and a shed. Parking is provided for one car with additional communal spaces on a first come basis.

All mains services, oil fired central heating, no gas. Sold with vacant possession and no onward chain.
